and SAUGERTIES FISH & GAME CLUB
present

May 12, 2007 - 8 AM to 5 PM
at
Saugerties Fish & Game Club
168 Fish Creek Rd.
Saugerties, New York 12477
<http://SFGC.us/>

BASIC ARCHERY

Archery is growing in popularity with many as their choice of hunting and recreational activity. You will learn how to shoot compound bows at targets.

FLY FISHING

This top-water fishing technique can be easy with this all-inclusive course. Learn the basic technique involved in fly casting.

WILDERNESS SURVIVAL

If you are ever stranded in the woods, this class will give you tips on what to do and what not to do, and how to get help to arrive. Learn how to build a shelter and keep yourself safe.

OUTDOOR COOKING

You will learn the basics of outdoor cooking, including the different types of cooking in the outdoors, utensils, camp stoves, and various foods.

LANDSCAPE SKETCHING

Learn to enjoy the views even more when you know what to look at and focus on. You will learn basic strokes, and find out how and where to begin.

HIKING

First learn some basics about how to prepare, then take a leisurely walk along the beautiful trails.

FLY TYING

Create your own 'bait' for fishing, or use these unique items to make your own personalized jewelry.

BASIC RIFLE

Learn gun safety along with general information about rifles and other firearms, and the basics of shooting. You will have an opportunity to shoot targets.

BASIC HANDGUN

You will learn the basics of handgun including safe handling and parts of the gun, loading, unloading, shooting technique, cleaning, and maintenance. You will shoot air guns unless you bring a valid pistol permit.

BASIC SHOTGUN

The course will cover basic shotgun shooting/safety. This course includes gun identification, safe handling and you will learn how to shoot flying clay targets.

OUTDOOR FIRST AID

Do you know how to handle back yard injuries? Learn the basics as well as how to determine what is an emergency and what you can treat yourself.
